

POTTY TRAINING POLICY

As of June 1, 2013, we no longer accept children in diapers.

By being “potty-trained,” we expect that your child can successfully use the toilet on his/her own. If accidents occur five (5) or more times a week, that indicates to us that they are not fully trained and may need to wait a bit longer before enrolling. Pull-ups are not acceptable; **under wear only**.

Many toilet accidents can be prevented if children can unbutton/unbuckle without a struggle. We discourage belts, one-piece outfits, and overalls as they tend to frustrate the child when in a hurry to use the bathroom.
