

**Immunizations (shots) are required to attend
childcare.**

(18 months - 5 years)

They should have:

3 Polio

4 DTaP

3 Hep B

1 MMR, on or after the first birthday

1 Hib, given on or after the first birthday

1 Varicella (chicken pox)

*(Tetanus shots are recommended, but not
mandatory at this time.)*

No child can be registered to begin preschool without the above-listed immunizations and a signed physician's form. (Unless they have a signed exemption form).
