

## SNACK AND LUNCH

In accordance with the State-licensing standard, a mid-morning snack is provided to everyone and an afternoon snack is provided for full-day enrollees. Each snack includes two or more food groups. The day's menu is posted in the kitchen.

Children enrolled in our ½-day program will eat lunch at home.

Children staying for an extended day program will eat lunch between 12:00 and 12:30 p.m. Each child is to bring a lunch from home. We do not have the staff available to prepare foods or heat them in the microwave. Please bring a ready-to-eat nutritious lunch. Sodas and candy are not permitted. A beverage will be provided for your child during lunch.
